What species is creepy critter, can you guess?

Fact: The TurkeyDogz don't know what species the Creepy Critter is or how he sneaks into their houses. It freaks them out every time they see the little guy so they named him Creepy Critter. They think he might live in the big empty lot so they try to avoid walking by it!

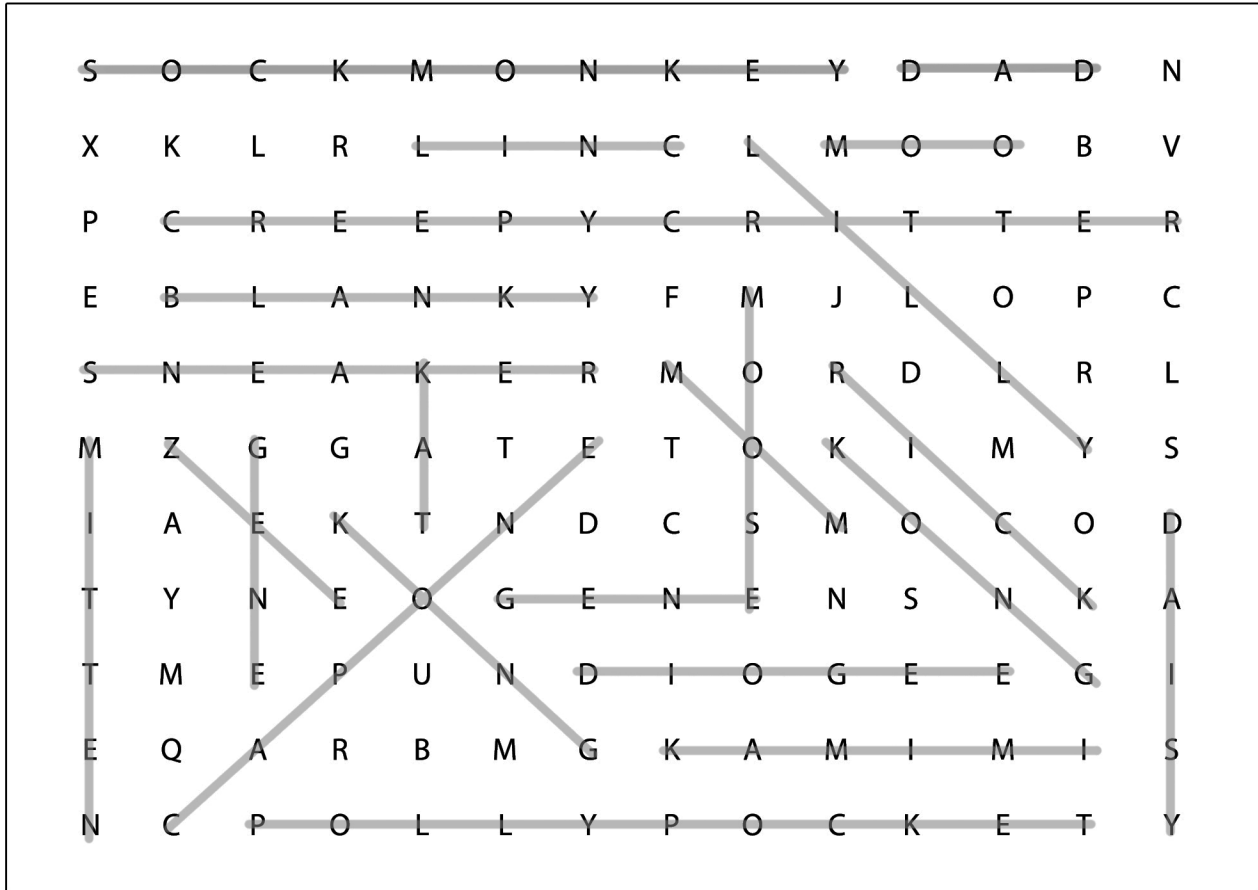

Creepy Critter sneaks food from the TurkeyDogz and he loves to tease them. His favorite meal is fondue.
